

BASIS® APPROVED TRAINERS CRITERIA FOR MEMBERSHIP

WHO IS ELIGIBLE FOR MEMBERSHIP?

BASIS Approved Trainer / Training Provider membership is for individuals and organisations wishing to provide training for BASIS courses. Membership requires the nomination of an individual because the skills and knowledge required to be a good trainer / training provider are personal to individual trainers / training providers and are therefore transferable, if a person changes location or job. In every case the nominated individual will be responsible for results of BASIS examinations organised or trained by them.

HOW DOES A TRAINER OR TRAINING PROVIDER QUALIFY?

A) Approved Trainer status will in future be judged using the following criteria:

1. **CANDIDATES' RESULTS**

Achievement of satisfactory exam results from those candidates put forward for examination as a result of training. Satisfactory exam results means that the marks for all candidates linked to that Trainer / Training Provider should be no lower than 10% below the BASIS national average results for that examination. The 10% margin is built in to provide for the eventuality that a group may have a number of less able candidates. Clearly the target will be for all examination marks to be above the BASIS national average mark in each exam.

2. **CANDIDATES' FEEDBACK**

No substantiated negative feed-back about the Trainer / Training Provider has been received by BASIS from candidate feedback.

3. **EXAM CHAIRMAN FEEDBACK**

No substantiated negative feed-back about the Trainer / Training Provider has been received by BASIS from the Exam Chairman.

4. **INDIVIDUAL TRAINER ASSESSMENT**

Where results are giving cause for concern BASIS may attend courses and evaluate trainers' capability.

5. **COMPLIANCE WITH BASIS ADMINISTRATION PROCEDURES**

The provision of professional administrative support from the Trainer / Training Provider in relation to all BASIS training involvements.

6. **ACCREDITATION OF BASIS COURSES BY HARPER ADAMS UNIVERSITY LETTER**

After an exam date has been confirmed by BASIS the Trainer / Training provider will receive a welcome letter from HAU, which they then must ensure is forwarded to all candidates attending the exam.

7. **CODE OF ETHICS**

Adherence to the BASIS Approved Trainer – Code of Ethics.

8. **AUDIT**

Agreement for BASIS to audit any training event or training programme as long as reasonable prior notice is given to the Trainer / Training Provider.

BASIS Approved Trainers / Training Providers may be from any background, and BASIS operates an equal opportunity policy and will not tolerate discrimination in any form.
